

THINGS TO DO WITH YOUR FAMILY AND FRIENDS

MAKE A THEATRE SHOW

Write your own show and perform it to your family and friends! Line chairs up and use spare sheets as the curtains.

HAVE AN INDOOR PICNIC

With the warm weather a distant memory, create a winter alternative and have a picnic indoors!

GET SOME FRESH AIR ON A NATURE TRAIL

Wrap up warm and get outside to enjoy the fresh air. Try and name as many different trees and animals you see along the way...

MAKE A FAMILY NEWSPAPER

Making a newspaper is a great way to let your extended family and friends know what you have been up to this year. Try looking in a newspaper for ideas about how to design yours!
