# Did you know?

The most expensive book was bought for 31 Million Dollars!

## STORY BAG

- Find lots of different items around the house and place them in a bag.
- Create a short story based around these items, you can use yourself as part of the story!
- If you need help, or have an idea you can't find an item related to, draw a picture of the item and place it in the bag.
- After you have done this, switch it round and collect items around the house that are based on your favourite book or story.
