

Application Process Quick Guide

Register

Create an account on our Careers Page. Have a copy of your CV to hand!

Find the Role for You

Log back into your Candidate Portal and search for your preferred job. You can filter by location, programme or job type.

Complete an Application

You only need to apply for one job, but you can be considered for multiple roles or locations - this will be discussed at interview!

Carefully check the details parsed from your CV and fill in any gaps, especially regarding your qualifications and experience! This is your chance to sell yourself and secure the Ultimate Holiday Job.

Check your Emails

You will receive an update on your application within two weeks so keep an eye on your emails!

Video Interview

Impress us at application? New candidates, or returning staff applying for more senior roles, will be invited to a video interview.

Offer of Work

If we have the perfect role for you, you will be offered a job with Ultimate. Read your offer information carefully and let the Recruitment Team know asap if you wish to accept. Remember: Applications come thick and fast so don't wait around to confirm your acceptance! Alternatively if you are no longer able to commit to work with us, let us know so we can offer your role to someone else.

Onboarding & Training

Read your Offer Letter which will detail next steps. Offers are subject to satisfactory completion of onboarding and any required training, so we recommend making a quick start on the process to ensure plenty of time to get you cleared for camp!

Time for Camp!
